DESCRIPTIONS OF WORKSHOPS AND SEMINARS

FRIDAY WORKSHOPS/SEMINARS

EVERYTHING YOU NEED TO KNOW ABOUT BJD'S: Michele Hardy: Hands on seminar on everything you need to know about your BJD's, brief demonstration on face-ups, suedeing, hot glue fixes, etc. (all attendees may attend)

PHOTOGRAPHY FUN WITH CHARLENE - Bring your dolls and become a celebrity! Pictures limited to one per attendee, but additional pictures can be taken for a charge of \$5.00 each.

BALLERINA TUTU FOR 10" DOLL BY GALE TORRES & BERDINE CREEDY: Make a fluffy tutu for your Graceful little ballet dancer with Berdine and Gale (The Wee Wardrobe). You can choose, Pepper-Mint green, Jelly-Tot blue, Candy-Floss pink or Lolly-Pop purple. There is NO sewing involved in this easy and fun workshop. Just bring yourself and your little ballerina! **Limited to: 30**

FAIRY WINGS BY JOZEL WATSON: Come and make a pair of fairy wings for your ballerina! Learn 3 different techniques for making wings and actually make and take home a pair of felt wings and a magic wand to transform your doll into a fairy! Patterns and supplies will be provided other than noted below. Let's have fun and make our own brand of dolly magic! **Limited to: 30 people** (each person participating should bring a pair of scissors, a bottle of tacky glue, and your doll)

"AMERICA'S TOP BJD MODEL" WITH EMCEE MICHELE HARDY. This is a "just-for-fun" (ie, not serious at all) contest that anyone can enter. Your model will be asked to fill out an informative brief questionnaire and you will pose your model on the runway. The only rule is the doll must be a BJD from either Berdine Creedy or Paulette Goodreau. The doll can be small, large, resin, vinyl - whatever, as long as it's a BJD by either creator. Even previous entrants and winners may enter again.

Top BJD Models will be chosen for Best Overall, Best Attitude, Best Accessorized, and Odd Doll Out (only a mother would love me), and possibly some on the spot categories. Absolutely no objective criteria for winning - just the whim of the "judges" (again, this is not serious). Judges' decisions may be final but we've heard they can be influenced. No preparation required - last minute (as you walk in the door) entries encouraged!

Last time, we had a variety of entrants in all kinds of outfits - some serious, some humorous, some spur of the moment. I think they all found the experience to be very fulfilling and I'm sure some have gone on to fame and fortune in the tabloids. So everyone who is attending, please bring an American BJD (with a stand for posing, if possible) - you never know, she (or he) may be America's next TOP BJD model. The title probably won't mean a thing, though.

SATURDAY WORKSHOPS:

SEAHORSE DOLL FRIEND BY ART RODGERS: Seahorse Doll friend workshop ~ Join in the fun and make a seahorse friend for your dolls. This workshop will include all materials needed to complete a presewn stuffed fabric seahorse friend for your dolls to hold. **(Limited to 20)**

From simple ear peircing to full sewing and corset work right on the body, this class will teach you the art of full modification...dremel work, and apoxie sculpt. There will be practice heads, ears, and parts available if you want to try this. **OPEN CLASS - JUST A DEMONSTRATION.**
